MOTION TO REVIVE JURY DEMAND

Plaintiff moves the Court for an Order reviving the jury demand in the "instant action" in the above-reference case, plus court cost, interest, and recovery of losses and harm from the revival date of March 24, 2000. This "instant action" of the Plaintiff's expressed, implied, preserved and inviolate action to "Jury Demand Endorsed Herein" case matter was "removed" to the federal court venue by the Defendant.

JUDICIAL NOTICE OF VACANT JURY DEMAND

On March 24, 2000, pursuant to The Constitution of State of Ohio; Bill of Rights; Section 5:

"The right of trial by jury shall be inviolate, except that, in civil cases, laws may be passed to authorize the rendering of a verdict by the concurrence of not less than three-fourths of the jury."

With Statutes: Ohio Rules of Civil Procedure 38 and 39

RULE 38. Jury Trial of Right

(A) Right preserved. *"The right to trial by jury shall be preserved to the parties inviolate".*

RULE 39. Trial by Jury or by the Court

(A) By jury. *"When trial by jury has been demanded as provided in Rule 38, the action shall be designated upon the docket as a jury action."*

the Plaintiffs have expressed and implied for a preserved and inviolate action to "Jury Demand Endorsed Herein", for a trial on the tier of all genuine legal issues of disputed material facts for a jury to decide in a court of law. The Plaintiff's now gives this Court "Judicial Notice of Vacant Jury Demand", and is without a jury verdict posting upon the record of this docketed case.

Pursuant to Defendant's removal (now carrying dual jurisdiction), and specifically and critical in part of Federal Rules of Civil Procedure Rule 81;

Applicability of the Rules in General; Removed Action

"...

(c) REMOVED ACTIONS.

...

(3) Demand for a Jury Trial. (A) As Affected by State Law. A party who, before removal, expressly demanded a jury trial in accordance with state law need not renew the demand after removal. If the state law did not require an express demand for a jury trial, a party need not make one after removal unless the court orders the parties to do so within a specified time. The court must so order at a party's request and may so order on its own. A party who fails to make a demand when so ordered waives a jury trial.,

the Plaintiff's jury demand for a trial by jury for good cause remains valid in both the State and Federal court venues to this present day of this filing. (Law preserved and inviolate ~ Emphasis added)

Conflicting to The Constitution of the United States; ARTICLE VI (SUPREME LAW);
" ...*This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.*

The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States."

and upon case matter removal to the federal court venue herein, the federal officers' of the court (Judges Walter H. Rice and Michael R. Merz) "terminated" the Plaintiff's "preserved" and "inviolable" Constitutional basic civil right to their expressed, implied, preserved and inviolable action to "Jury Demand Endorsed Herein" . And furthermore, these officers of the Court applied sanction (\$1000.00 fine) against the Plaintiff for filing documents per their available "remedies of relief", and to stop any future filings in these removed case matters carrying a jury demand in a Court of law.

The gist of the legal matter to the reasonable persons, shall demonstrate that these actions of these Officers of the Federal Court Judges, the legal representatives of the Defendant, and possibly any others associated with these case matters, may be subject to treason under 18 U.S. CODE § 2381 - TREASON.

18 U.S. CODE § 2381 - TREASON; "Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States."

See: Exhibit A: Affidavit of Greg T. Ackerman and Joyce L. Ackerman as affiant to due process and jury demand in a court of law.

Now pursuant to **Ohio Constitution § 15.07 Oath of officers;**

"Every person chosen or appointed to any office under this state, before entering upon the

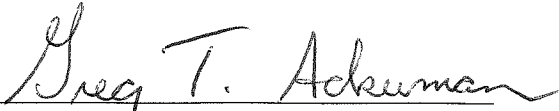

discharge of its duties, shall take an oath or affirmation, to support the Constitution of the United States, and of this state, and also an oath of office."

the Plaintiff moves the Officer of the Court to revive the Plaintiff's instant action to a "jury demand" for a trial by jury, as filed on March 24, 2000.

Conclusion

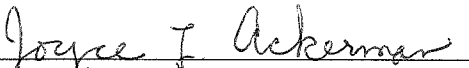

Plaintiff prays and moves this Court to accept this judicial notice and revive the "instant action" of the Plaintiff's expressed, implied, preserved and inviolate action to "Jury Demand Endorsed Herein" to the case matters herein.

Sir:

Your letter of November 8, 2013, addressed to John Hehman, Clerk of Court, has been referred to me for response as the magistrate judge assigned to your two cases, 3:00-cv-277 and 3:04-cv-33.

The Clerk has absolutely no power to grant you any relief in these cases. Judge Rice entered final judgment in both cases in 2005. Eventually the Supreme Court of the United States denied certiorari in these cases.

You are reminded that you have been sanctioned in the amount of \$1,000 for continuing to make baseless filings in these cases.

Very truly yours,

Michael R. Merz
United States Magistrate Judge

Attn: Greg Brush; Clerk of Court; Common Pleas Court of Montgomery County, Ohio
John Hehman, United States District Court of Southern Ohio Clerk of Courts; via Terrie

Please take "Judicial Notice"(s) of two filed cases in the Common Pleas Court of Montgomery County, Ohio, upon case No. 2000 CV 01472 and an additional substantial and substantive independent case No. 2003 CV 09499.

Both case matters are directly related to state law claims alleging a breach of a valuable Long Term Disability (LTD) insurance policy contract and actions of bad faith with malice to the insured beneficiary / now legal party, while engaged in the "business of insurance".

Both of these cases also carry paramount procedure deficiencies and omissions to a "jury demand" in the state and/or federal trial courts of law. These profound cases equally carry a timely "jury demand" for action to the legal party's "inviolable" constitutional and statutory legal right to a "trial by jury", in either/or both state and federal court venues by law. See: (FRCP 81(c)(3) Removed Action.

To this day neither court venue has expedited the legal action to a trial by jury. To the reasonable person, these paramount procedure deficiencies and omissions to a "trial by jury" upon a timely "jury demand", as made by a legal party in a court of law, is an unthinkable injustice to the legal party, and clearly shows cause to a "civil disorder" of public and great general interest.

For summary please see; www.constitutionrescue.org and www.badfaith.info

In addition, these cases carry substantive and substantial effect on Appellate Case No. 025392), upon trial court case No. 2009 CV 03194 (Legal matters of home foreclosure proceedings allegedly caused by insurance fraud in the "business of insurance".)

Thank you for your review and hands-on supportive intervention, without prejudice, that will preserve Ohio citizens and U.S. Citizens of their legal rights to have their day in court with an impartial jury, to determine all genuine legal issues of material facts of alleged "insurance company fraud" and fraud on the court(s), for a jury to decide in either or both state and federal court venues, while holding

a critical judicial position under oath to uphold the treasured Constitution of the State of Ohio and Constitution of the United States of America, upon these critical social matters of public and great general interest concerning 11,000,000+ Ohio citizens, and furthermore affecting to 300,000,000 + United States citizens, and carried abroad by exemplary law of the United States of America.

Per John Hehman, we respectfully invite you to represent the Federal Courts upon a scheduled meeting with Greg Brush, Clerk of Court at the Common Pleas Court of Montgomery County, Ohio on Wednesday

October 30, 2013, at 9:00 am, to discuss and find remedies of relief to these critical matters of public and great general interest to all American citizens
